

## Building Permit and Inspection Records

### Disclaimer

The information presented on this website is informational only and does not necessarily reflect the current condition of the building or property. The fact that a permit was issued does not confirm that work was performed, or that work was performed in accordance with that permit and the requirements of the Municipal Code.

Information on inspections and alleged violations reflect conditions found by the inspector at the time of the inspection and not necessarily the current status of those alleged violations or the current condition of the property. The absence of alleged violations on this website does not mean a building or property is in compliance with the requirements of the Municipal Code.

The Department of Buildings may refer certain alleged violations to the City's Department of Law for enforcement proceedings in the Department of Administrative Hearings or the Circuit Court of Cook County. Please contact the [Department of Administrative Hearings](#) or the [Clerk of the Circuit Court](#), respectively to obtain records of these proceedings.
